## DESIGN, ENGINEERING, MANUFACTURING AND SUPPLY OF INDUSTRIAL EQUIPMENT & SYSTEMS

### OVER 550 INSTALLATIONS WORLD-WIDE SINCE 2004

FOUNDERS possess more than 70 years of combined versatile experience of "concept to commissioning" in **Project Engineering industry**

#### Product Range

##### ❖ Industrial Air Pollution Control Equipment & Systems:

- Bag Houses
- Multi-clones
- Bag Filters
- Dust Extraction Systems
- Wet Scrubbers
- High Efficiency Cyclones
- Fume Extraction Systems

##### Pollution Control Applications

- DRI Plants
- Lime Kilns
- Soda Ash
- Boilers
- Carbon Black
- Cement Plants
- Food Processing
- Minerals
- Iron Making Furnaces
- Iron Purification
- Sponge Iron Plants
- Mini Blast Furnaces
- Non Ferrous Melting Furnaces
- Refractories & Ceramics Plants
- Fine Chemicals

##### Dust Extraction Applications

- Coal Handling
- Sinter Plant Dust
- Pesticides
- Iron Ore Handling
- Pellet Plant Dust
- Fine Chemicals
- Crusher, Screen, Stock House
- Lime Plant Dust
- Minerals Handling

##### Product Collection Applications

- Spray Dryers
- Grinding Mills
- Fluid Bed Dryers
- DAP/NPK
- Spin Flash Dryers
- Flour Mills
- Rotary Kilns

##### ❖ Fine Grinding and Classifying Mills (GCM):

- Grinding Mills 10GCM, 20GCM, 30GCM, 60GCM, 75GCM, 100GCM
- Spares for Grinding Mills viz. Liners, Hammer, Rotor Discs, Classifier Wheels, Bearing Housings, etc
- Lump Breakers and Crushers

##### Fine Grinding Applications

- Sugar
- Talc
- DCP
- Spices
- Pesticides
- Ppt Silica
- Resins
- Powder paints
- Starch
- Zinc Oxide
- Stabilizers
- Kaolin, Clay
- Alumina
- Chana Dal
- Calcium Carbonate
- Stearates
- Food Colors
- Al. Hydrate
- Mung Dal
- Soya Flakes, Meal
- Tamarind Seeds
- Pigments & Dyes
- Aluminum Silicate
- Other Pulses

## ❖ Material Handling Systems:

- High Pr. Pneumatic Conveying Systems
- Ribbon Blenders
- Chain Conveyor
- Material charging stations
- Double Dump Valve
- Lean Phase Pneumatic Conveying Systems
- Screw Conveyors
- Belt Conveyor
- Rotary Airlock Valves
- Rotary Feeders

## **Material Handling Applications**

- Pesticides
- Spices
- Cement
- Minerals
- Pigments & Dyes
- Petrochemicals
- Food Colors
- Steel Making
- Fine Chemicals

## ❖ As Per Drawing(APD) / As Per Equipment:

- Fans & Blowers
- Furnace Doors
- Silos
- Hot Air Generator
- Air Slides
- Air Washers
- Mist Eliminator
- Heat Exchanger
- Slide Plates
- Vertical Thermowell
- Diverter Gates
- Dynamic Classifiers
- Thermic Fluid Heaters
- Carriage Beam Assly
- SS Tanks / Vessels
- Pressure Vessels
- Hot-Water-Generator
- Filter Cell Nozzles

## COMPANY PROFILE

Nectar Projects Pvt Ltd (NPPL), Pune, India is a leading company involved in Design, Engineering, Manufacturing & Supply of various **Industrial Equipment & Systems** tailor-made to meet specific requirements of industries viz Fine Chemicals, Food, Spices, Pharma, Steel, Cement & many more.

With the wealth of expertise & enterprising experience at their command, NPPL is in a position to understand & implement customers' requirements, thus achieving CUSTOMER SATISFACTION.

Over 50 satisfied Customers repose trust & confidence in us through repeat orders enabling us to have hundreds of installations across all major industries / applications. NECTAR has successfully **Designed & Manufactured** various equipment in a wide variety of *materials of construction*.

## ❖ Proven track record :

- Strong Engineering Team
- Value for money
- Exclusive Attention at each stage of project
- Reliable equipment & system performance

## **Future Goals:**

**Sales Growth more than 50% (YOY)**

**Growth in Exports**
